SKILLS

- **Languages:** Python, C, C++, JavaScript
- **Frameworks:** HTML and CSS
- **Tools/Platforms:** MySQL, PostgreSQL
- **Soft Skills:** Problem-Solving Skills, Team Collaboration, Project Management, Time Management

PROJECTS

DOOR LOCK/UNLOCK (Academic Practice Project) [github](#)

Dec 2025 - Jan 2026

- Developed a smart door locking and unlocking system controlled through a mobile phone using wireless communication.
- Integrated a microcontroller, wireless communication module, and servo motor to operate the door lock remotely.
- Designed the system to provide convenient and secure access control through mobile commands.
- Implemented and tested the hardware-software integration for reliable lock/unlock operations
- **Tech Stack:** ESP32, C/C++, Virtual assistant ,Mobile phone , Bluetooth/Wi-Fi.
- **Cybersecurity Awareness Drive | WNS Cares Foundation**
- Conducted a Cybersecurity Awareness Drive for 30 participants, including students, homemakers, and working professionals.
- Educated participants on cyber fraud, phishing, online scams, password security, and safe digital practices using real-life examples and interactive demonstrations.
- Used live demonstrations, quizzes, role-play, and real-world examples to promote cybersecurity awareness and responsible digital behaviour.
- Strengthened public speaking, communication, teamwork, and community engagement through direct interaction with students

CERTIFICATES

- | | |
|---|----------------|
| • Non-Technical MOOC on Effective Time management by TechVeda | October,2025 |
| • Database and SQL for Data Science with Python-Coursera | December, 2025 |
| • Introduction to Artificial Intelligence- Infosys | March,2026 |
| • Introduction to Modern Database Systems- Saylor.org | February,2026 |
| • Oracle AI Database Foundations Associate | Sept,2026 |
| • WNS Cares Foundation-Cyber Security | June, 2026 |

ACHIEVEMENTS

- Solved 200+ programming problems on online coding platforms through regular practice, problem-solving, and continuous learning.
- Selected as a member of the Student Academic Advisory Committee, contributing to student-faculty communication and academic discussions.

EDUCATION

- | | |
|---|--|
| • Lovely Professional University
Bachelor of Technology - Computer Science and Engineering; CGPA: 8.00 | Punjab, India
August 2025 - Present |
| • DAV SEN SEC Public School GREYOH
12 th with science; Percentage: 77.2 | Mandi, HP
April 2024 - March 2025 |

- 10th, **Percentage: 80.4%**

April 2022 - March 2023
